To whom it may concern,

The Friends of Roan Mountain is pleased to announce its Small Grants Award for up to \$2,000. The Friends of Roan Mountain will consider proposals from individuals and organizations that further its mission, which is to foster greater awareness and understanding of the natural, historical, and cultural significance of Roan Mountain. A proposal must include a concise narrative that describes the location, objective and expected outcome of the project as well as a detailed budget. Projects must be completed in one year or less.

After the project is completed, recipients are required:

1. To submit a detailed expense report and a written project report.
2. Present a brief presentation at one of our naturalist rally or poster regarding the project.

Please contact me for more information.

Sincerely,

A handwritten signature in black ink that reads 'Gary W. Barrigar'. The signature is written in a cursive, flowing style.
